READING (10 points)

Time: 15 minutes

1) Read the essay below and choose A, B or C to complete the sentences.

Mobile phones: here to stay

Most people today cannot imagine their life without a mobile phone. I believe it is one of the most important innovations ever. Thanks to mobile phones, our lives are much easier today. First of all, if you have a mobile phone you can make phone calls no matter where you are. For example, you can call a friend to let them know that you lost your way or are going to be late. As a result, you feel safer and less stressed. In addition, we can use mobile phones to send text messages. We can write messages to friends giving them news or sending them birthday wishes. We can even listen to the radio while travelling on a bus or the metro. However, some people would argue that it has a negative effect on our life. If we use mobile phones all the time, it is bad for our health. In my opinion, mobile phones have more advantages than disadvantages if we use them correctly. Our lives are better with them and they are here to stay.

1. Most people nowadays _____.
 A cannot live without mobile phones.
 B imagine life without mobile phones.
 C live without mobile phones.
2. Thanks to mobile phones, our lives have become _____.
 A simpler.
 B more exciting.

C more complicated.

3. One of the advantages of mobile phones is that _____.

A they play music.

B they are cheap.

C they let us call people wherever we are.

4. Mobile phones are also used to _____.

A send wishes.

B send letters.

C send bills.

5. The main disadvantage of mobile phones is that _____.

A they are expensive.

B they are bad for our health.

C they create stress.

1. The symbol of England is a red rose, and English people are crazy about gardening. Everywhere in England you will see gardens, large and small. The English are also famous for their love of animals. A lot of families have pets, especially cats and dogs.
2. English football is famous of course, but there is another national sport too - cricket. Many English people love cricket, but it is not so popular in Wales, Scotland or Ireland. Some cricket matches continue for five days, and often there isn't even a winner!
3. In the south of England you will find some beautiful villages. Some of the houses and cottages have thatched roofs. 'Thatcher' is an English surname. Many English surnames are the names of jobs, for example Butcher, Baker, Wheeler, Farmer, and Potter.
4. The two oldest and most famous universities in England are in Oxford and Cambridge. If you visit these cities, you will see amazing old buildings, beautiful gardens, rivers - and punts. Punts are longboats. You have to stand up at one end of the punt, put a pole in the water and push. It's very difficult!

5. Some of the wildest and most beautiful country side in England is in the north. It is very popular with walkers, campers and climbers. If you go to the northeast, near Newcastle, you will be able to see Hadrian's Wall. Roman soldiers built it two thousand years ago. You can still walk along parts of it -just like the Roman soldiers did.
